

Sustainability Policy

At Peritus Partners we are committed to operating in a way that is environmentally responsible, socially conscious, and economically viable. Sustainability is at the heart of our business practices, and we strive to minimise our environmental footprint while making a positive impact on our communities.

Our Commitments:

1. Environmental Responsibility

- Reduce waste and promote recycling across our operations
- Improve energy efficiency and reduce carbon emissions
- Source materials and products responsibly, favouring eco-friendly and sustainable options
- Encourage digital processes to minimise paper use

2. Social Impact

- Support diversity, equality, and inclusion in our workplace
- Engage in fair labour practices and uphold human rights throughout our supply chain
- Partner with local communities and support charitable initiatives

3. Ethical Governance

- Comply with all relevant environmental and labour laws
- Regularly assess our sustainability practices
- Communicate transparently with our stakeholders about our progress

Looking Ahead

We recognise that sustainability is an ongoing journey. We are committed to continuous improvement and innovation in our efforts to build a better future for our planet and the people on it.
