Bringing simplicity to the **chaos** of recruitment.

At Peritus Partners, our mission is to bring simplicity to the chaos of recruitment – more specifically, we support companies to hire freelance and permanent staff in the areas of **Product, Design, Software, Data & Cloud**.

Our founding team each has at least a decade of recruiting experience, building long-term relationships, talent strategies, extensive sourcing and a quality-driven service for both candidates and clients. This has led to many **success stories**, and happy customers!

In fact, most of our business comes from **recommendations**; hence we created an affiliate program to reward those that help us to grow and achieve our mission!

We'd like to invite you to join our Affiliate program, by making successful introductions you can earn a passive income of up to **€10,000** for yourself, OR save up to **€14,000** for your business.

Sound good? But want to know what is required from you?  
It's simple:

1. Review & Agree our Affiliate T&C's
2. When you see or hear an opportunity to plug Peritus, simply email your contact with Peritus on CC to make an introduction.
3. Peritus will follow up and upon successful conversion, process your reward with the potential to earn yourself up to €10,000 or save your business up to €14,000.

Please note: T&Cs are purely outlining payment terms and defining successful referrals. There are no obligations, exclusivity or notice required from you.
